Sherritt Announces Modified Dutch Auction to Purchase Secured Notes and Fixed Price Tender Offer to Purchase Junior Notes for Aggregate \$50 Million

TORONTO, May 11, 2022 – Sherritt International Corporation (“**Sherritt**” or the “**Corporation**”) (TSX:S), a world leader in the mining and hydrometallurgical refining of nickel and cobalt from lateritic ores, announced today the commencement of offers to purchase (i) its outstanding 8.50% senior second lien secured notes due 2026 (the “**Secured Notes**”) pursuant to a modified Dutch auction process (the “**Secured Notes Dutch Auction**”) and (ii) its outstanding 10.75% unsecured PIK option notes due 2029 (the “**Junior Notes**”, and collectively with the Secured Notes, the “**Notes**”) pursuant to a fixed price tender offer process (the “**Junior Notes Fixed Price Tender Offer**” and, together with the Secured Notes Dutch Auction, the “**Offers**” or the “**Transaction**”) for aggregate cash consideration of up to \$50 million (the “**Maximum Consideration Amount**”), exclusive of accrued and unpaid interest on the purchased Secured Notes.

Sherritt intends to finance the Transaction from its available cash. Sherritt may increase or decrease the Maximum Consideration Amount at any time prior to the Extended Expiration Payment Date (as defined below) in its sole discretion, and may use its available cash and/or seek to raise additional funds in order to increase the Maximum Consideration Amount. All amounts are in Canadian currency unless otherwise noted.

“The principal purpose of the Transaction is for Sherritt to reduce its outstanding debt and provide near-term liquidity to our noteholders which may not be available otherwise. Sherritt’s performance in 2021 and the first quarter of 2022, coupled with expected cash flows, provides an opportunity for Sherritt to pursue its growth strategy, including the expansion at the Moa Joint Venture, while also continuing its efforts to reduce debt to achieve balance sheet strength,” said Leon Binedell, President and CEO of Sherritt. “We remain committed to generating value for and acting in the best interests of our stakeholders.”

Consideration under the Offers

The following table sets out the Notes and certain payment terms under the Offers, which are discussed further below:

Notes	CUSIP Number	Principal Amount Outstanding	Transaction Process	Maximum Cash Consideration per \$1,000 principal amount	Maximum Cash Consideration per \$1,000 principal amount, including the Initial Participation Consideration Amount
Secured Notes	823901AM5	\$ 350.5 million	Modified Dutch Auction	\$820 ⁽¹⁾	\$850 ⁽¹⁾
Junior Notes	823901AN3	\$ 87.0 million	Fixed Price Tender Offer	\$520	\$550

(1) Based on the Maximum Secured Notes Bid Price (as defined below), and subject to determining the Clearing Price (as defined below) pursuant to the Secured Notes Dutch Auction process.

Secured Notes

The Secured Notes will be priced per \$1,000 of principal amount of Secured Notes as determined by a modified Dutch Auction process whereby holders may specify either the minimum purchase price they are willing to receive for each \$1,000 of principal amount of their Secured Notes (a “**Bid Price**”) or accept the purchase price for the Secured Notes determined by Sherritt pursuant to the terms of the Secured Notes Dutch Auction (the “**Clearing Price**”), as described in the Purchase Offer (as defined below), plus, where applicable, the Initial Participation Consideration Amount (as defined below) of \$30 per \$1,000 of principal amount of Secured Notes. Bid Prices specified for the Secured Notes must be less than or equal to \$820 per \$1,000 of principal amount of Secured Notes (the “**Maximum Secured Notes Bid Price**”). Bid Prices in excess of the Maximum Secured Notes Bid Price will not be accepted or used for the purposes of determining the Clearing Price. If none of the holders that tender Secured Notes pursuant to the Secured Notes Dutch Auction specify a Bid Price, the Clearing Price will be the Maximum Secured Notes Bid Price. Holders whose Secured Notes are purchased by Sherritt pursuant to the Secured Notes Dutch Auction will also be entitled to be paid in cash any accrued and unpaid interest from the last interest payment date up to, but not including, the applicable Payment Date (as defined below).

Junior Notes

The purchase price for the Junior Notes pursuant to the Junior Notes Fixed Price Tender Offer is a fixed price of \$520 per \$1,000 of principal amount of Junior Notes (the “**Junior Notes Fixed Price**”) plus, where applicable, the Initial Participation Consideration Amount of \$30 per \$1,000 of principal amount of Junior Notes. The purchase price for the Junior Notes pursuant to the Junior Notes Fixed Price Tender Offer determined by Sherritt takes into account all accrued interest from the last interest payment date as part of the overall purchase price. Accrued interest in respect of the Junior Notes will not be paid in respect of any Junior Notes purchased by Sherritt pursuant to the Junior Notes Fixed Price Tender Offer. Junior Notes that are validly tendered and not withdrawn will have priority in acceptance over Secured Notes validly tendered and not withdrawn as discussed in further detail below.

Additional Initial Participation Consideration

Holders of Notes that validly tender and do not withdraw their Notes prior to 5:00 p.m. (Toronto time) on June 1, 2022 (the “**Initial Expiration Date**”), as such date and time may be extended or earlier terminated by Sherritt, and whose Notes are purchased by Sherritt pursuant to the applicable Offer, will be entitled to additional cash consideration of \$30 per \$1,000 of principal amount of purchased Notes (the “**Initial Participation Consideration Amount**”), payable on the applicable Payment Date.

Timeline and Process for the Offers; Priority of Notes Purchases

The Offers will be open for tender commencing as of 9:00 a.m. (Toronto time) on May 12, 2022, and will expire at 5:00 p.m. (Toronto time) on the Initial Expiration Date, unless the Offers are extended by Sherritt to 5:00 p.m. on June 15, 2022 (the “**Extended Expiration Date**”, and together with the Initial Expiration Date, the “**Expiration Dates**” and each an “**Expiration Date**”), as such date and time may be extended or earlier terminated by Sherritt as described in the Purchase Offer.

Junior Notes validly tendered and not withdrawn prior to 5:00 p.m. (Toronto time) on the Initial Expiration Date will have priority in acceptance over Secured Notes validly tendered and not withdrawn prior to the Initial Expiration Date. Pursuant to the Transaction, Sherritt will purchase any Junior Notes validly tendered pursuant to the Junior Notes Fixed Price Tender Offer and not withdrawn prior to 5:00 p.m. (Toronto time) on the Initial Expiration Date (the “**Initial Junior Notes Purchase**”), subject to the terms and conditions set forth in the Purchase Offer, and then have the option to purchase Secured Notes validly tendered and not withdrawn pursuant to the Secured Notes Dutch Auction prior to 5:00 p.m. (Toronto time) on the Initial Expiration Date (the “**Initial Expiration Secured Notes Purchase Option**”), subject to (i) Sherritt’s satisfaction with the Clearing Price for such Secured Notes, (ii) the Maximum Consideration Amount (taking into account the Initial Junior Notes Purchase) and (iii) the terms and conditions set forth in the Purchase Offer. The settlement date for any Notes purchased by Sherritt pursuant to the Initial Junior Notes Purchase and/or the Initial Expiration Secured Notes Purchase Option will be the date that is three business days after the Initial Expiration Date (the “**Initial Expiration Payment Date**”).

If Sherritt exercises the Initial Expiration Secured Notes Purchase Option, the Transaction shall not be extended past the Initial Expiration Date to the Extended Expiration Date. If Sherritt does not exercise the Initial Expiration Secured Notes Purchase Option, Sherritt can extend the Offers past the Initial Expiration Date to the Extended Expiration Date, as may be further extended or earlier terminated by Sherritt as described in the Purchase Offer.

Any additional Junior Notes validly tendered and not withdrawn prior to 5:00 p.m. (Toronto time) on the Extended Expiration Date will have priority in acceptance over Secured Notes validly tendered and not withdrawn prior to 5:00 p.m. (Toronto time) on the Extended Expiration Date (including, for clarity, any Secured Notes that may have been validly tendered prior to the Initial Expiration Date and not withdrawn). Pursuant to the Transaction, if the Offers are extended by Sherritt to the Extended Expiration Date, Sherritt will purchase any additional Junior Notes validly tendered and not withdrawn pursuant to the Junior Notes Fixed Price Tender Offer prior to 5:00 p.m. (Toronto time) on the Extended Expiration Date (the “**Additional Junior Notes Purchase**”), subject to the terms and conditions set forth in the Purchase Offer, and then have the option to acquire Secured Notes validly tendered and not withdrawn pursuant to the Secured Notes Dutch Auction prior to 5:00 p.m. (Toronto time) on the Extended Expiration Date (the “**Subsequent Secured Notes Purchase Option**”), subject to (i) Sherritt’s satisfaction with the Clearing Price for such Secured Notes, (ii) the Maximum Consideration Amount (taking into account the Initial Junior Notes Purchase and Additional Junior Notes Purchase) and (iii) the terms and conditions set forth in the Purchase Offer. The settlement date for any Notes purchased by Sherritt pursuant to the Additional Junior Notes Purchase and the Subsequent Secured Notes Purchase Option will be the date that is three business days after the Extended Expiration Date (the “**Extended Expiration Payment Date**”, and together with the Initial Expiration Payment Date, the “**Payment Dates**” and each a “**Payment Date**”).

Junior Notes and, if Sherritt exercises the Initial Expiration Secured Notes Purchase Option, Secured Notes that in each case are tendered prior to 5:00 p.m. (Toronto time) on the Initial Expiration Date may be withdrawn at any time prior to 5:00 p.m. (Toronto time) on the Initial Expiration Date, but not afterwards unless otherwise required by law. If Sherritt does not exercise the Initial Expiration Secured Notes Purchase Option, Junior Notes tendered after 5:00 p.m. (Toronto time) on the Initial Expiration Date and prior to 5:00 p.m. (Toronto time) on the Extended Expiration Date, and Secured Notes tendered at any time prior to 5:00 p.m. (Toronto time) on the Extended Expiration Date, may be withdrawn at any time prior to 5:00 p.m. (Toronto time) on the

Extended Expiration Date, but not afterwards unless otherwise required by law. Sherritt reserves the right, but is under no obligation, to amend the Maximum Consideration Amount at any time in its sole discretion (including, for certainty, after an Expiration Date and prior to the applicable Payment Date) without extending withdrawal rights.

The Transaction is subject to certain terms and conditions described in Sherritt's Offer to Purchase dated May 11, 2021 (the "**Purchase Offer**"). The above dates and times are subject, where applicable, to the right of Sherritt to extend, reopen, amend and/or terminate the Offers, subject to applicable laws. Sherritt may amend the Maximum Secured Notes Bid Price and/or the Junior Notes Fixed Price in its sole discretion, provided that if at the time of any such amendment there are fewer than three business days until the applicable Expiration Date for the Offers, Sherritt will extend the Offers so that at least three business days remain until the applicable Expiration Date. Holders should be aware that their broker, dealer, commercial bank, trust company or other intermediary will establish their own earlier deadlines for participation in, or withdrawal from, the Offers.
