TORONTO, June 15, 2026 – Sherritt International Corporation (“Sherritt” or the “Corporation”) (TSX:S) is providing an update on the non-binding term sheet (the “Term Sheet”) entered into with Gillon Capital, LLC (“Gillon Capital”) regarding a proposed private placement (the “Private Placement”), as previously disclosed in the Corporation’s news release dated May 20, 2026.

In connection with the Term Sheet, the Corporation has entered into an exclusivity agreement with Gillon Capital providing for a 120-day period of exclusive negotiations with respect to the Private Placement. The period of exclusivity was entered into to allow the parties to complete their respective due diligence reviews and negotiate a definitive agreement with respect to the Private Placement.

Since the announcement of the Term Sheet, the parties have each engaged financial, legal and other advisors and are working collaboratively to navigate the legal, regulatory and commercial complexities identified through the due diligence process to date, including matters arising from the Corporation’s operations in Cuba and the U.S. regulatory and sanctions environment. The parties continue to engage constructively with relevant governmental and regulatory authorities, as well as other stakeholders, in furtherance of these matters.

The Private Placement remains subject to the execution of definitive documentation, satisfaction of customary conditions, the approval of the U.S. Department of the Treasury’s Office of Foreign Assets Control, and the receipt of all required regulatory approvals, including the approval of the Toronto Stock Exchange. There can be no assurance that these complexities will be resolved on terms satisfactory to both parties or at all, or that the Private Placement will be completed, or completed on the terms previously described, or completed in a timely manner.
